## FIRST CAUSE FOR DENIAL OF APPLICATION

(Unprofessional Conduct - Conviction of a Substantially Related Crime)

- 9. Applicant's application is subject to denial under Section 480, subdivision (a), subsection (1), and Section 4955, subdivision (b) of the Code, in that Applicant has been convicted of a crime that is substantially related to the qualifications, functions or duties of an acupuncturist. The circumstances leading to Applicant's conviction are as follows:
- On September 2, 2015, in the case entitled *The People of the State of California v*. Myengsook Kim, case number 15WM07315, in the Superior Court of California, County of Orange, Applicant, upon her plea of guilty, was convicted of driving a vehicle while having a blood alcohol content of approximately 0.18 percent, in violation of Vehicle Code Section 23152, 111

subdivision (b), a misdemeanor. Applicant was placed on three years probation with the following terms and conditions:

- A. Credit for four days in the Orange County Jail;
- B. Complete eighty hours of community service as directed by the Court;
- C. Attend and complete a six month, level two First Offender Alcohol Program;
- D. Attend and complete Victim Impact Counseling;
- E. Not drive a motor vehicle without a valid driver's license in her possession and proof of valid automobile liability insurance or financial responsibility as required by law;
  - F. Not drive a motor vehicle with a measurable amount of alcohol in her blood;
- G. Submit to a chemical test of her blood on demand of any peace officer, probation officer, or mandatory supervision officer;
  - H. Pay fines, restitution and other penalty assessments as ordered by the Court;
- I. Disclose terms and conditions of probation when asked by any law enforcement or probation officer;
  - J. Use her true name and date of birth only at all times;
  - K. Violate no law; and
  - L. Obey all orders, rules, regulations and directives of the Court and Jail.
  - 11. The circumstances leading to Applicant's 2015 conviction are as follows:
- A. At approximately 11:07 p.m. on April 23, 2015, law enforcement officers with the Garden Grove Police Department (GGPD) were dispatched to a non-injury hit and run investigation at 14151 Flower Street in Garden Grove. A witness contacted GGPD and reported that the female driver and sole occupant of the involved vehicle, later identified as Applicant, hit a garage door and adjacent wall with her vehicle before fleeing the scene of the crash. GGPD officers arrived on scene and spoke with the witness who reported that Applicant was parked nearby on 15th Street. The GGPD officers evaluated the crash scene and concluded that

<sup>&</sup>lt;sup>1</sup> Vehicle Code Section 23152, subdivision (b) provides: "It is unlawful for a person who has 0.08 percent or more, by weight, of alcohol in his or her blood to drive a vehicle..."

///

Applicant was driving her vehicle into the public parking lot located at 1415 Flower Street when she conducted a U-turn and struck one of the garages and adjacent wall.

- B. Meanwhile, other GGPD officers contacted Applicant in her white 2014

  Hyundai Sonata, which was parked in front of a driveway eastbound on 15th Street in Garden

  Grove. Applicant was passed out, covered in dried vomit, and slumped over the steering wheel in
  the driver's seat when she was contacted by the GGPD officers. Applicant was initially
  unresponsive to the GGPD officers who quickly noticed that the vehicle engine was still running.

  The GGPD officers removed the keys from the vehicle ignition and repeatedly shook Applicant
  in an effort to wake her up. Applicant was eventually able to communicate with the GGPD

  officers by giving physical, non-verbal responses to their questions. Throughout her encounter
  with the GGPD officers, Applicant displayed symptoms of severe intoxication including: a strong
  odor of alcohol; watery and bloodshot eyes; delayed responses to questions; unsteady balance; and
  lethargic movements. Applicant did not perform standardized field sobriety tests due to her level
  of intoxication, but she admitted to consuming alcoholic beverages prior to the crash that evening.

  Consequently, Applicant was arrested for driving under the influence of an alcoholic beverage.
- C. Applicant consented to a blood test, which was administered and collected at the GGPD jail after she was transported from the scene of the crash. Applicant provided one vial of her blood at 1:40 a.m., which later revealed Applicant's blood alcohol content of 0.18 percent within three hours of driving.
  - D. Applicant was issued a citation in lieu of custody and released from GGPD jail.

## SECOND CAUSE FOR DENIAL OF APPLICATION

(Unprofessional Conduct - Use of Alcohol in a Dangerous Manner)

12. Applicant's application is further subject to denial under Section 480, subdivision (a), subsection (3), and Section 4955, subdivision (a) of the Code, in that Applicant used alcoholic beverages to the extent, or in such a manner, as to be dangerous and injurious to herself, or to any other person or to the public, as more particularly alleged in paragraphs 10 and 11 above, which is hereby incorporated by reference and re-alleged as if fully set forth herein.

## PRAYER WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Acupuncture Board issue a decision: Denying the application of Myengsook Kim for an acupuncture license; and Taking such other and further action as deemed necessary and proper.
